## Natural and untreated.

An international independent audit system tracks every CanadianFire diamond from its discovery in the mine through to the finished cut and polished stone.

This system ensures your CanadianFire diamond is completely natural and has never been treated by lasers or high pressure processes to change its colour or clarity. This is your guarantee that the diamond you purchase for your partner is as pure as your love for each other.

We reserve the right to correct any printing errors. Colours may vary due to the printing process. We are unable to accept responsibility for any items in this catalogue that may be unavailable due to circumstances beyond our control. Items shown in this catalogue have been enlarged to show details more clearly. Please note that not all items are necessarily available in every store. Carat weights are an approximate average & may vary slightly. White Gold has been rhodium plated to enhance its appearance. The plating finish is not permanent & may need to be reapplied to maintain original finish. Ring re-sizing may incur additional charges. TDW refers to the Total Diamond Weight. South Sea pearls are cultured pearls. Some Swarovski Zirconia are treated with a coating to change or improve its colour but may not be permanent. All items available to 31/05/15.
